## **Potential route of new highway subject of Monday night meeting**

Ward 3 Councillor John Taylor is hosting a public meeting about the Niagara to Greater Toronto Area corridor after the provincial government released a map showing a different proposed route for a new highway.

The meeting is scheduled for Monday, Dec. 13 at 7:30 p.m. in the auditorium in the Mainway Recreation Centre, 4015 Mainway.

Invited guests include Burlington MPP Joyce Savoline and Halton MPP Ted Chudleigh, as well as representatives from the Ministry of Transportation and the Ministry of Municipal Affairs and Housing.

The Burlington stretch identified in a map published by the Ministry of Municipal Affairs and Housing depicts a highway starting at approximately Tremaine Road near the 407 ETR, that goes northwest just above Britannia Road before continuing on along an unidentified route through Flamborough, ultimately connecting to Hwy. 403 in Ancaster.

To view the map, visit [www.halton.ca/planning\\_sustainability](http://www.halton.ca/planning_sustainability) and select the document Provincial Partial Draft Decision on ROPA 38.

The map in question — described by one ministry spokesperson as “conceptual” — is on page 26 of that document.
